Tri Party Bulletin #01-2025

URGENT: CALL TO ACTION

The ILWU has been pushing back against over-reaching environmental regulations at the Ports of Los Angeles and Long Beach, that could have devastating long-term impacts on our jobs and communities!

California Senate Bill (SB) 34, authored by our local, ILWU endorsed, Senator Laura Richardson and her staff, is a big part of that fight. Through their efforts, as well as those of our Local 13, 63 and 94 officers and staff, our legal team of SR Holguin, PC, our lobbying firm of California Advocacy, LA City Councilman Tim McOsker's Office, as well as other supporting legislators, stakeholders and labor organizations, SB 34 has made its way through three (3) Sub-committees in the Senate, as well three (3) Sub-Committees in the Assembly, and is now on the Governor's Desk, awaiting his signature.

The ILWU International and the ILWU Coast Longshore Division are now leading the effort and spearheading a "full court press" to get this legislation signed into law. We also know that opponents of this bill will flood the Governor's Office with calls, emails and social media to have him veto this bill, as it is their last chance to stop it. Here is where you can help, please read the flyer attached to this bulletin and follow the directions there to either call, email or post our message on your social media. The Governor has until October 12, 2025, to sign or veto this bill, as that is 30 days after it passed out of the legislature on September 12, 2025.

YOUR UNION NEEDS YOUR HELP!

PLEASE ACT ON THIS URGENT CALL TO ACTION TODAY AND ENCOURAGE EVERY FRIEND OF THE ILWU YOU KNOW TO DO THE SAME! THANK YOU!

Sincerely,

Gary Herrera
President, Local 13

Danny Vilicich
President, Local 63

Daniel G. Miranda
President, Local 94
