January 9, 2025

NO FINES FOR STOP WORK MEETING, JANUARY 9, 2025

Based on alerts from both the City of Los Angeles and Long Beach due to poor air quality, the Union will **NOT** charge fines for non-attendance to the January 9, 2025 Stop Work Meeting.

While many residents around the harbor remain safe from the dangers of the fires themselves, local health officials are warning of dangerous air pollution settling over the city as a result. We encourage anyone at-risk to protect their health.

Fraternally,

Gary Herrera
President

Mario Medina
Vice President

Gabe Zuniga
Secretary/Treasurer
