Bulletin #19-25

March 12, 2025

PORT OF LOS ANGELES – TRAFFIC ADVISORY LONG TERM FULL CLOSURE

Location: Northbound SR-103 Union Pacific Overhead Bridge

Date of Incident: Construction scheduled for March 6, 2025, to September 30, 2025

Time of Incident: Full Closure to vehicular traffic

Narrative: **DAYTIME / NIGHTTIME CLOSURES**

Information Received from CalTrans

During construction on **March 6, 2025 – September 30, 2025**, Caltrans has scheduled lane closures on the northbound State Route 103 (SR-103) between Pacific Coast Highway (PCH) to Henry Ford Avenue. Crews will be conducting striping work prior to beginning bridge work on the Union Pacific Overhead Bridge.

Southbound SR-103, Union Pacific Overhead Bridge will be open.

Detour signs will be posted. Motorists should expect delays and are strongly advised to use alternate routes.

Real time traffic information can be found at <http://quickmap.dot.ca.gov/>

Detour Routes are as follows:

- Exit to NB SR-47 -Pier A Way (Henry Ford Ave.)
- Right on E O St.
- Left onto PCH
- Continue to SR-103 on-ramp

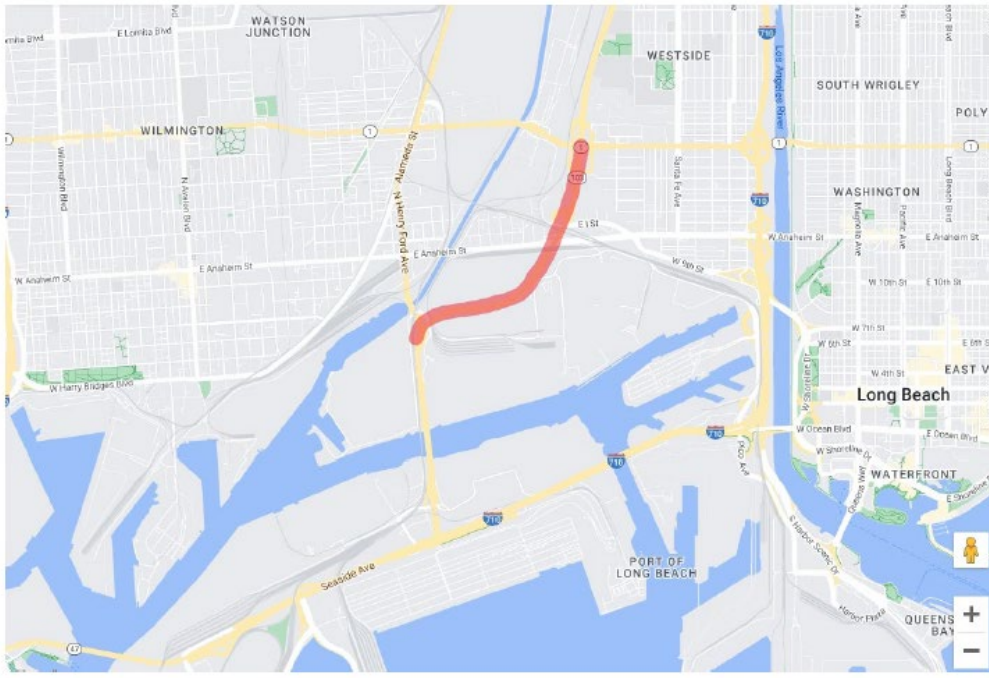

Construction on SR-103 is scheduled to be completed in spring 2026

Upon completion of all work the existing Union Pacific Overhead concrete bridge deck will be replaced with a new bridge and bridge railings to meet current bridge standards. The new deck will increase the lifespan of the bridge and bring the bridge to good service conditions. Lighting will also be added and will enhance safety.

As a reminder please do not drive around road closed signs, road closed by a cone line, a flagman directing traffic, or any other traffic control devices.

Please use caution in the area and “Slow for the Cone Zone.”

Construction schedules are subject to change due to weather or other unforeseen circumstances.
