Jan. 12, 2026 – The Port of Los Angeles today opened the new northbound (NB) on-ramp to I-110 and new southbound (SB) off-ramp from SR 47 at Front Street/Harbor Blvd. as it enters a new phase of construction near the Vincent Thomas Bridge in San Pedro as part of the SR 47 Interchange Project. Along with the new ramps, the Port debuted a newly realigned Knoll Drive to access Knoll Hill.

Starting Friday, Jan. 23, and extending through August 31, 2026, crews will close both the NB SR 47 on-ramp and NB SR 47 off-ramp at Harbor Blvd. (aka Harbor Blvd off ramp from SB I-110).

As construction continues, the following detours are in place:

- **DETOUR A: SB I-110 to Harbor Blvd.**

Exit at Channel Street/Pacific Avenue and continue to Front Street/Harbor Blvd. (See *orange route on map*.)

- **DETOUR B: Pacific Ave. to NB SR 47**

Take Pacific Avenue to Channel Street to SB I-110 to NB SR 47
(See *green route on map*.)

- **DETOUR C: Harbor Blvd. to NB SR 47**

Take Front Street/Harbor Blvd. to 1st Street to Gaffey Blvd. to NB SR 47
(See *purple route on map*.)

Truckers should follow posted traffic signs and detours accordingly.

Those with questions may leave a message on the public phone line at [\(310\) 732-7778](tel:(310)732-7778). Calls will be returned within 24 hours.

The SR 47 Interchange Project is replacing the existing southbound SR 47 off-ramp from the Vincent Thomas Bridge with a new off-ramp on the north side. Additional improvements include realigning the existing on-ramp to the northbound I-110 connector; modifying the northbound SR 47 off-ramp onto

Harbor Blvd.; modifying the northbound SR 47 on-ramp onto the bridge toward Terminal Island; and improving local streets near the interchange. The project is expected to be completed in December 2026.
