CHECK YOUR DUCKET AT THE WINDOW

REMINDER:

All members are responsible for checking their work ducket at the dispatch window before walking away.

What does that mean? First and foremost, make sure it is your registration number on that ducket. Once you leave the window, that job is now yours. (See Dispatch Rules under “Flops” #5: *During the dispatch period, any member wishing to flop must do so before leaving the dispatch window. Once leaving the window with a job and/or the next number has been called, the member is obligated to report to the job, call a replacement, and work until the replacement arrives.*)

Keep in mind, companies are not accepting duckets that have work numbers scratched off or duckets that have a work number printed on it that does not match the member checking in.
