ILWU LOCAL 6 - C&H STRIKE FUND

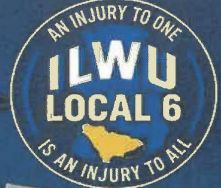

We need your help! We know that it might be difficult for many of us to stand shoulder to shoulder, on the picket line, with our striking brothers & sisters near San Francisco. However, it is a lot easier, and just as meaningful to show them support financially. PLEASE use the QR code below to show your support. Remember, we are strongest when we stand together. Today it’s their fight, tomorrow it could be ours.
