UPCOMING CONSTRUCTION WORK ON ALAMEDA STREET

Beginning next **Monday, August 24, 2026**, Caltrans will begin construction activity on Alameda Street, South of Anaheim Street, which may result in traffic congestion going to and from the ILWU, Local 13 Dispatch Hall over the following weeks. While the road repair work is scheduled to take place mainly in the overnight hours, between 8:00 p.m. and 5:00 a.m., all Local 13 members should allow extra time to get to and from the Dispatch Hall, safely and on time, as the construction schedule is subject to change.

This work, along with all the other ongoing detour route improvements, are necessary due to the upcoming full closure of the Vincent Thomas Bridge (VTB), beginning on November 1, 2026.

The Local 13 Officers want to assure the membership, as we have for the past two years, that we are working closely with Caltrans, City of Los Angeles Departments, City of Long Beach Departments, and all other relevant stakeholders to have the VTB Project run as smoothly as possible.

We ask that all ILWU workers exercise patience and allow extra time to navigate around the port complex throughout the duration of this necessary project.

Fraternally,
