Dear Ramon, Staff, Brothers and Sisters,

You are cordially invited to attend the annual "First Blood" memorial program to be held on May 15th at 12:00 noon. The ILWU Southern California Pensioners erected the bust of Harry Bridges and the monument with the names of those who died on the Job. It is with bittersweet joy we request your presence to honor those who died working on the waterfront. As many of you know, we will be honoring another brother, Chulaih Ang who was killed on the job. It is the intention of the ILWU Southern California Pensioners to honor these hard working men and women whose only goal was to put in a day's work and return home to their families. Unfortunately, the list of names is growing, further clarifying the dangerous environment faced by all ILWU members who work the ships and on the docks.

If you would please announce this at your membership meeting and include in your next bulletins it would be greatly appreciated.

Please join us at the base of 6th Street & Harbor Blvd on May 15th at 12:00 noon.

In Solidarity,

Greg Mitre - President
ILWU So. Cal. Pensioners Group
