MESSAGE FROM PRESIDENT HERRERA

I hope everyone enjoyed their Memorial Day weekend. As we all know, we are paying tribute to those who served our country so that we may enjoy the freedoms we have today. It is a time to reflect on the sacrifices made by our brave men and women in uniform, who have selflessly put their lives on the line to protect our country and preserve our way of life.

For those of you who serve or served in the Armed Forces, I wanted to take this opportunity to personally thank you for your service and dedication to our country. Your courageous actions have not gone unnoticed, and we are forever grateful for the sacrifices you have made to ensure our safety and security.

The Union will continue to honor and remember those who have served, especially those who have made the ultimate sacrifice. Let us also strive to support our veterans in their post-military lives. They have given so much to our country, and it is our duty to ensure they receive the support and care they deserve.

So, as we move forward from this Memorial Day weekend, let us remember the true meaning of this day and continue to honor and support our Military Service Brothers and Sisters in every way possible.

Thank you for your service, and may we never forget the price you have paid for our freedom.

Fraternally,
Gary Herrera
President
