OCTOBER 2026 BULLETIN

Annual Prime Rib Luncheon-

I just wanted to thank all the officers and volunteers, the Ladies Auxiliary 8, Mike Miller (the amazing BBQ master) and his family, John Brunac and the "Time Machine" band, and Bobby Negrete and his bartenders for making this a memorable event. Everything was fabulous, the food, the drinks, the entertainment, the photo booth were all exceptional. If you did not attend, you really missed it. This was one of the best Luncheons we have ever thrown, and over 300 people came out and enjoyed the day. Please plan on attending next year if you could not make it his year. We will be having next year's luncheon on Sunday, October 31st Halloween day, so it should be Spooktacular!!

Nominations and Elections-

The ILWU Southern California Pensioners will be holding their annual elections at the December meeting. Nominations for office will be held at the November meeting. All of our offices are open for nomination- President, 1st Vice President, 2nd Vice President, Recording Secretary, Financial Secretary. All of these offices are non-pay volunteer positions. There are 6 trustees positions on the ballot as well as 15 Executive Board members. Please plan on attending both of these meetings and consider running for a position to help out the Pensioners and continue to be the best retiree group on the West Coast.

Michael (Mickey) Chavez-

If you have never heard this young man's name before, be prepared to hear a lot about him in the future. Mickey was appointed to the Los Angeles Harbor Commission and confirmed in a vote at LA City Hall on Tuesday October 20th. It was a proud moment for the ILWU when we all went to downtown LA to support Mickey's nomination and speak before the City Council to encourage all of them to confirm him. He was confirmed in a unanimous vote. Mickey is an ILWU Foreman who works steady in Long Beach for Metro. He rose through the ranks of Local 13 and was born and raised and lives currently in San Pedro. Mickey is also the former President of the ILWU Southern California District Council (SCDC) and led the way as the council interviewed and selected candidates to endorse in this Novembers elections. Mickey is well versed on the issues in both LA and LB Harbors and understands the dynamics of moving cargo, preserving good union jobs and steering the busiest port in North America. We congratulate Mickey and wish him all the best on his new assignment.

Work is Booming-

Cargo numbers for both ports, LA and LB are breaking records. In LA, we moved over 1 million containers in the month of September, setting a record for the most containers ever moved in that month in the history of the ports existence. In LB, they moved 997,00 containers and also set a record for the most container moves ever. One terminal, TTI moved 59,410 containers by rail in one month, setting a single month record. All of these numbers are staggering, due in part to the talents of the ILWU brothers and sisters who are pumping day and night. It is so busy that casuals are working 5-6 days a week, steady crane operators are allowed to work over the 20 shift limits, and jobs are hanging unfilled at the dispatch hall on a daily basis. There are 3 main factors for this increase in cargo, one is the restocking of merchandise retailers are doing before the holidays. Two is the tariffs are all over the place and companies are wary of further increases. Three is the Panama Canal. The Canal is suffering from an incredible early drought that has forced the Panama Canal authority to restrict the amount of sailings that pass through the canal as well as placing draft restrictions on large vessels. This means the large container ships that usually pass through on their way to the East Coast are having to stop in LA/LB and drop off cargo destined for the East Coast. We are the recipient of this discretionary cargo as it makes it way to other states in the U.S.

In Solidarity, Greg Mitre – President, Southern California Pensioners Group
